

Vienna, September 2020

Dear ladies and gentlemen,

The **Vienna Business Agency** cordially invites you to participate in a **Virtual Conference for Business and Innovation**:

## #OpenVienna - Go & Grow International

30th of September 2020 from 9.00 am to 5.00 pm (CET)

As a leading business location, Vienna offers all necessary tools for foreign companies to gain a foothold, even in challenging times. Moreover, Austria's capital offers a perfect mix of political and financial stability, strategic positioning, and access to public and private funding as well as an ever-growing talent hub proved to be fundamental to overcome a global crisis. **As the central hub between Western and Eastern Europe**, the Vienna Business Agency acts as a driver for innovation in the region and actively runs programs for startups and provides service for companies interested in setting up their business in Vienna.

We invite you to take a **virtual tour to explore the extraordinary business location** Vienna and its **innovative spirit**. Find out more about the Viennese dynamic ecosystem and inform yourself how to benefit from the business location across industries. The Vienna Business Agency experts will introduce the city's benefits and provide insights into specific areas.

### Our experts will present following topics:

- Digital Company Formation
- Business location Vienna and "smart" immigration
- Startup ecosystem
- Funding opportunities
- Innovation and Research landscape
- Matchmaking Sessions with experts and participants
- Panel Discussion "Go and Grow International"
