The GovTech matrix is a part of a series of matrices dedicated to Sofia's priority industries, prepared by the team of Innovative Sofia. The document aims at mapping the Govtech ecosystem in Sofia, highlighting its development and various stakeholders. The matrix doesn't claim to be exhaustive and will be continuously updated and expanded. Please, feel free to contribute by sending us your feedback via contact@innovativesofia.bg, so that we could include the received input into our next update.
